Collaborative Professionals of Saskatchewan is excited to announce upcoming *Interdisciplinary Team Training* with internationally renowned trainers. This is an incredible opportunity that you won't want to miss!!

Collaborative Separation/Divorce is a dispute resolution process aimed at assisting couples involved in a separation or divorce and keep the couple out of adversarial court processes. An Internationally practiced model of dispute resolution, Collaborative team practice can be an effective option for separating and/or divorcing couples. The collaborative conflict resolution model can involve interdisciplinary professionals (e.g., lawyers, financial and mental health professionals) who are brought together as a team to provide their particular expertise support couples to achieve cost-effective, solution-oriented and enduring resolutions and agreements.

Participation in Basic Interdisciplinary Collaborative Practice training is a prerequisite to work in collaborative interdisciplinary practice. This upcoming 2-day workshop is specifically designed for Lawyers, Mediators, Mental Health professionals (e.g., Clinical Social Workers, Psychologists) and Financial Professionals (e.g., financial planners, tax specialists and business valuers) and will focus on the foundational principles, processes and skills required to work in interdisciplinary collaborative practice. The workshop meets international standards. **REGISTRATION DETAILS TO FOLLOW**
